You real-ly don't need me to  
tell you the un-writ-ten rules of the game. The world may grow hard-er to  
live in, but cer-tain things just stay the same. Phil-o-so-phers call them "es-  
sen-tial truths," but they're too clev-er by far. The sim-plest of fools is the  
wi-sest of men, for he knows in his heart what they are. The
